

SPACE-2 Kinetic Programme Full-time, 1 Year

Based: South Warwickshire

What is the Kinetic programme?

Planning a successful career in business? This internship will allow you to build up valuable skills and work experience in a fast moving, dynamic industry.

A paid internship for those aged 18 and above. A year long programme, giving a thorough insight into SPACE-2, and both the media, events and property industry. Specific modules covering business areas and industry sectors can be selected by the participant to make the programme bespoke to the individual. What are we looking for?

We are looking for talented, self-motivated, flexible individuals who are interested in business, TV & film, media and/or event management. We aim to match your specific skills and interests to the many varied opportunities within our businesses. We find that by focusing on the individual's motivations, interests and skills, we develop a better team and a more capable, sustainable and innovative business.

SPACE-2 has unprecedented experience of promoting and managing a wide range of property on behalf of landlords, property companies, owner-occupiers and organisations which can be used for creative, short-term uses and activities. With a broad range of skills and a national network of offices, SPACE-2's team generates income for its property partners by providing its clients with a market-leading level of service, knowledge and experience to help deliver the most challenging creative projects from pop-up brand experiences and feature films to large-scale events and creative cluster development.

This will be an exciting but challenging opportunity which will require determination and commitment. We are looking for organised, self-motivated people who can demonstrate the ability to work on their own initiative as well as work effectively as part of a team. You must have excellent written and verbal communication skills and be computer literate. The role will be primarily based in our Kineton headquarters, in the heart of rural Warwickshire.

Interested? Then send a covering email starting "My dream job is..." and a full CV to laura@space-2.com

To apply for any position within SPACE-2 Limited you must be eligible to work in the UK. Please note that if you are offered a position or invited to attend an interview, you will be required to show evidence of your eligibility to work in the UK. Please ensure you are able to provide the documentation; a guidance sheet can be provided on request.

If you do not have the required documents as evidence of your eligibility to work, we advise you either not apply for this post or that a job offer may be retracted if we were unclear of your status prior to its offering as we will not be legally able to employ you.
